About Me

I am an enthusiastic and dedicated student at IIT Patna, pursuing a Bachelor's degree in Computer Science and Data Analytics. With a passion for technology and problem-solving, I have developed skills in project management, web development, data analysis, and programming. I am committed to leveraging my knowledge and expertise to create impactful solutions and drive innovation. My experience as a mentor and public speaker has honed my ability to communicate complex concepts effectively. I thrive in collaborative environments and am eager to contribute to challenging projects that push the boundaries of learning and technology.
